ABOUT US

“WHERE PROTECTION MEETS PERFECTION

Ultra Shield has been founded with a commitment to excellence in waterproofing services. It has established itself as a premier provider of waterproofing solutions in Qatar. With a wealth of experience and a dedication to quality, Ultra Shield serves a diverse range of clients, including commercial, residential, and industrial sectors.

Ultra Shield is a subsidiary company operating under the esteemed Marzooq Shamlan Al Shamlan Holding, an organisation renowned for its diverse business interests and strong presence in Qatar's business landscape for the last seven decades.

OUR STORY

Marzooq Shamlan Al Shamlan Holding began as a family business in 1950, founded by the late Marzooq Al Shamlan. Since then, the company has been passed down from one generation to the next, building up an entrepreneurial legacy.

The Holding is a leading multicompany enterprise operating in the retail, services, automotive, and trading sectors, through an extensive portfolio of leading international business partners. Over the years, the Group has successfully introduced more than 180 brands into the Qatari market, while offering innovative products and services, with exemplary customer service and after-sales service. In fact, the Holding's group of companies has a long story of excellence that has earned them a reputation of a trusted & reliable partner in the market.

OUR STORY

OUR MISSION

At Ultra Shield, we are dedicated to ensuring our clients peace of mind through complete reliability. We understand that harsh weather, water infiltration, and moisture can compromise building integrity. Our goal is to protect our clients' properties by delivering exceptional waterproofing solutions using top-quality products and industry-experienced manpower.

Protection and Preservation

We implement reliable, sustainable waterproofing solutions to safeguard buildings and infrastructure.

Customer-Centric Approach

Our commitment to a customer-centric philosophy ensures that we consistently prioritize the needs and satisfaction of our clients.

Quality and Sustainability

We adhere to rigorous industry standards, ensuring top quality.

End-to-End Support

From the initial concept to the final implementation, our unwavering commitment accompanies our clients every step of the way.

Comprehensive Solutions

To provide solutions under one roof, handling each project with precision and expertise.
